

Cosmetic pouch body

The diagram shows a trapezoidal shape with a solid outer line and a dashed inner line. The top horizontal edge is shorter than the bottom horizontal edge. The sides are slanted. At the bottom, there are two rectangular tabs extending outwards, one on each side. The dashed line follows the same shape as the solid line but is offset inwards, creating a border. The text 'Cosmetic pouch body' is located in the upper left area of the trapezoid.

cut 1 of pouch exterior outer line.  
cut 1 of lining on outer line.  
cut 1 batting on inner line.
