## Geometric Quilt Block Pillow

### materials and tools

- Large scraps or fat quarters of 100% cotton quilter's fabrics
  - ◊ 1 large print fabric
  - ◊ 1 light solid or small print
  - ◊ 1 medium solid or small print
  - ◊ 1 dark solid or small print
- ½ yard of fabric for the pillow lining
- ½ yard of fabric for the pillow back
- Coordinating thread
- Universal or Sharp needle, size 75/11
- ¼" presser foot (BERNINA Patchwork Foot with Guide #57)
- Straight stitch foot (BERNINA Straight Stitch Foot #13)
- Overlock foot (BERNINA Overlock Foot #2)
- Rotary cutter and self-healing cutting mat
- Clear acrylic gridded ruler

Is that big, bold scrap of fabric staring at you? This quilt square is designed to let a large print fabric shine. This simple block is quick to make and easily stitched into a pillow. With a bit more fabric you can turn it into a placemat, or table runner. The perfect project for turning fabric scraps into something bold and beautiful.

• Make several blocks, each featuring a different bold print, then stitch them together to make a table runner or placemat. You could even make a quilt!
